Successful SQAS audit ColliCare

We are proud to announce that ColliCare Logistics B.V. – The Netherlands has been added to the electronic database of CEFIC through the successful implementation of the SQAS standard. SQAS offers ColliCare as supply chain specialist for Scandinavia many new possibilities for further development in the chemical industry. These developments correspond with our long-term strategy.

Safety and quality are important values for ColliCare. That is why, based on market requirements and our desire to further professionalise and specialize we have chosen to implement the SQAS standard.

SQAS stands for Safety and Quality Assessment system. The SQAS assessment is a system to evaluate the quality, safety, security and environmental performance of Logistics Service Providers.
